

Call for Awards

Submissions accepted: 8/3 – 9/14

We hope each AADPRT member will seriously consider submitting an award nomination for the 2024 AADPRT Annual Meeting at the Hilton Austin (TX).

Adding to the usual award excitement is a **new award and changes to some existing awards' criteria.**

All awards must be submitted electronically by a current AADPRT member (individual and institutional dues must be up-to-date).

New!

AADPRT's J.E.D.I. Committee developed the ***Dr. Iverson Bell, Jr. Faculty Fellowship Award*** to promote the professional growth of outstanding Underrepresented in Medicine (URiM) psychiatrists.

Changed!

The following awards have changed, now requiring an **education innovation project proposal.**

- Nyapati Rao and Francis Lu International Medical Graduate Fellowship
- George Ginsberg Fellowship Award
