**Dr. Iverson Bell, Jr. Faculty Fellowship Award**  
***Sidney Hankerson, MD***  
***Icahn School of Medicine at Mount Sinai***

**Project:**

Dr. Hankerson was awarded a competitive grant from the Mother Cabrini Health Foundation to establish the HOPE Center elective for PGY-4 psychiatry residents. The overarching goals for his Bell Fellowship project are to expand the collaboration between Mount Sinai and the HOPE Center and to develop an equity-focused training curriculum for psychiatry residents.
