Raman Marwaha

AADPRT Position: IMG Committee Chair

I have a medical degree from University College of Medical Sciences, Delhi, India. After completing a Psychiatry residency at Case Western Reserve University and a Child Psychiatry fellowship at the Children's Hospital of Philadelphia in 2015, I was appointed as the associate training director for the psychiatry residency program at Case Western (MetroHealth) in 2017, and became the training director in 2018. In addition, I serve as the vice chair of education and faculty development at MetroHealth (since 2022) and hold the position of associate professor.

I am the current president of the Caucus of IMG Psychiatrists at APA, a role I have held since 2022. In this capacity, I have been instrumental in developing and publishing an IMG resource guide and expanding APA membership. I am also an active member of the APA Council of Medical Education and Lifelong Learning and the APA Scientific Program Committee.

In addition to my national leadership roles, I am the president of the North East Ohio Society of Child and Adolescent Psychiatry, the regional organization of AACAP. I have presented at numerous AADPRT, APA, and AACAP annual meetings. My professional interests include community psychiatry, integrated care/workforce development, advocacy, cultural psychiatry, and provider well-being.
