

## Committee Spotlight

**Name:** Development

**Chair:** Michael Peterson, MD

**Charge:**

- Work with the AADPRT Executive Council (EC) to find ways to encourage donations to AADPRT from a variety of sources.
- Work with Executive Director to solicit donations from members.
- Determine any conflicts of interest for donors and discuss these with the EC.
- Develop new avenues for giving.

**Initiatives and projects:**

Our committee continues to focus on fundraising efforts. For example, we supported the [Swag Store](#) with custom gear and items, with proceeds going toward AADPRT awards and fellowships.

We are also seeking potential exhibitors for the annual meeting and contacting companies and publishers regarding exhibits as well as organizations including ACAAP, AAP, AAAP, ACGME, and subspecialty organizations.

**How do you join the committee?**

Email Michael Peterson [here](#) or attend the Development Committee meeting at the Annual meeting.

**What skills are you looking for in new members?**

We are looking for energetic and creative members who have ideas on how to enhance our fundraising efforts.

**What is the time commitment for committee members?**

We meet 2-3 times per year for approximately one hour. We also communicate by email, specifically to review if exhibitor proposals have conflicts of interest.
